Cosmic Timeline Whitepaper

Version 1.0 – 2025

Table of Contents

1. Executive Summary

Cosmic Timeline is an innovative cryptocurrency and gaming ecosystem that merges decentralized governance, interactive gaming, and NFT integration. This project introduces **Cosmic Farmer** and **Cosmic Realm**, two interconnected games that create a self-sustaining digital world.

With **CosmoSprout Token (COSMOSPROUT)** at the heart of the economy and **Cosmo Kitty NFTs** providing governance power and in-game advantages, Cosmic Timeline is shaping the future of decentralized gaming.

The ecosystem is fully **community-driven**, ensuring that every update, economic model, and major decision is guided by its players and investors.

2. Introduction

Cosmic Timeline was founded on the principles of **decentralization, collaboration, and continuous evolution**. By integrating cryptocurrency, NFTs, and virtual interactions, we aim to create a **self-sustaining, player-governed digital universe**.

Through engaging gameplay and economic incentives, we provide an opportunity for users to **earn, trade, and invest** in a dynamic, ever-growing ecosystem.

3. Vision & Mission

Vision Statement

"To create a sustainable and community-driven ecosystem where gaming, cryptocurrency, and digital assets merge into a decentralized economy that rewards innovation, creativity, and participation."

Mission

- Establish a **player-driven metaverse** where individuals can engage in farming, business, and social activities.
- Provide **real economic opportunities** by linking in-game assets to blockchain-based value.
- Use **NFTs and DeFi mechanics** to empower users with governance control.
- Ensure **continuous expansion** through community feedback and adaptable tokenomics.

4. Core Components of the Ecosystem

4.1 Community-Driven Development

- Governance will be **fully decentralized**, with players voting on game updates, tokenomics adjustments, and new feature integrations.
- **Transparency and Collaboration**: Developers will interact with the community regularly, ensuring all decisions align with player interests.

4.2 Dynamic Tokenomics

- **Adaptable Supply**: The supply of **CosmoSprout Token (COSMOSPROUT)** will adjust based on market demand and community governance.
- **Sustainable Growth**: Tokenomics will support long-term stability by encouraging **earning, staking, and reinvestment**.

4.3 NFT Integration

- **Cosmo Kitty NFTs** will grant governance power, allowing holders to shape the ecosystem.
- These NFTs will provide **in-game benefits**, such as power boosts, special abilities, and unique items.

5. Cosmic Farmer Game

5.1 Key Features

- **Cosmic Farming**: Players cultivate crops on **different planets**, each with unique resources.
- **Upgrades & Progression**: Tools such as fertilizers, hoes, and magical potions enhance gameplay.
- **In-Game Economy**: Earn virtual coins through farming and selling plant-based products.

5.2 Game Mechanics

- Players **start with basic resources** and progress by reinvesting earnings into new tools and upgrades.
- Coins earned from farming will eventually be **linked to cryptocurrency**, enabling real-world value.

6. Cosmic Realm Game

6.1 Core Features

- **Entrepreneurship & Business**: Players establish shops, restaurants, and entertainment centers.
- **Social Interaction**: Events, competitions, and networking opportunities foster community engagement.
- **Creative Competitions**: Users can showcase art, music, and writing to earn rewards.

6.2 Economic Model & Monetization

- Business revenue will generate in-game currency, which can be **reinvested or traded**.
- Monetization will include **NFTs, premium memberships, and sponsorships**.

6.3 Community Engagement & Development

- The game will evolve **based on player feedback**, ensuring fresh and exciting content.
- A **voting system** will allow the community to decide on major game expansions.
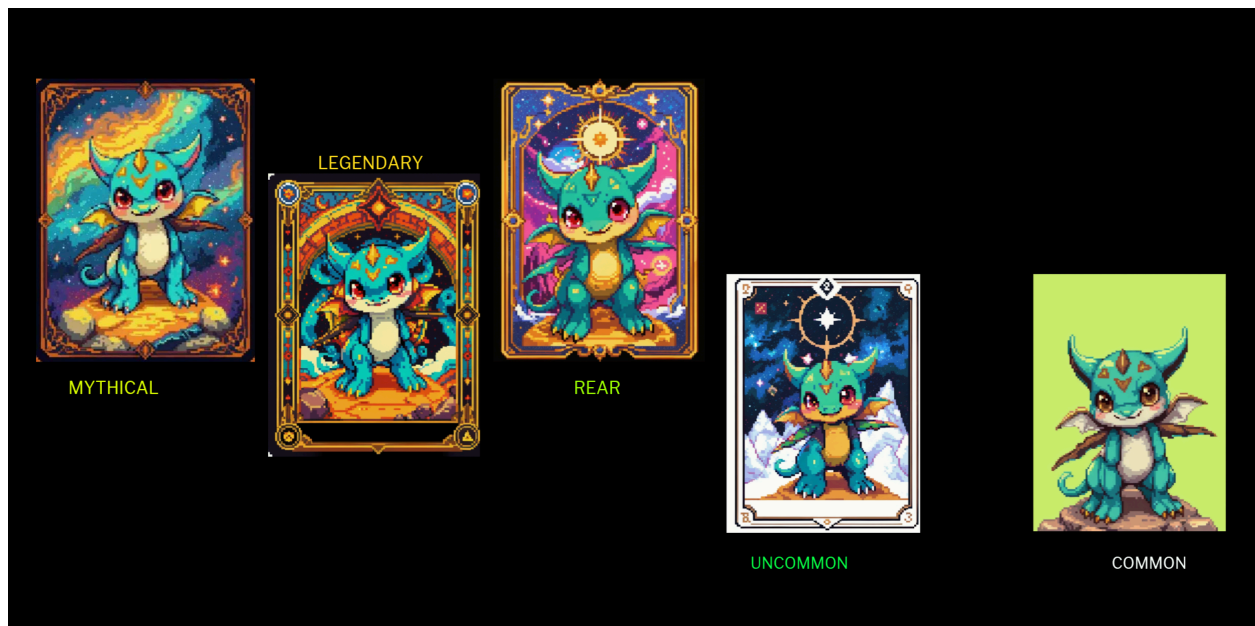

7. Cosmo Kitty NFTs

7.1 Utility & Benefits

- **Governance Participation**: NFT holders influence the game's evolution.
- **In-Game Power Boosts**: Exclusive advantages in **Cosmic Farmer** and future games.
- **Airdrops & Rewards**: Regular incentives for active NFT holders.

7.2 Governance Participation

- Cosmo Kitty NFTs act as **voting tokens**, determining ecosystem updates and major decisions.
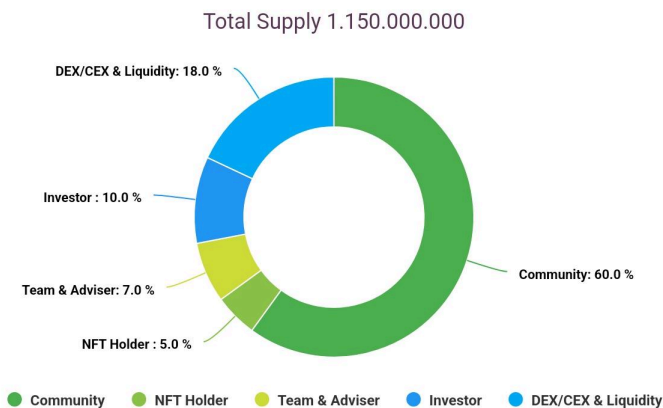

7.3 Cosmo kitty NFT Sneak Peeks

8. CosmoSprout Token

8.1 Token Utility

- In-game transactions and upgrades.
- Governance voting and decision-making.
- Staking for **passive income rewards**.

8.2 Tokenomics

- **Token Name**: CosmoSprout
- **Symbol**: COSMOSPROUT
- **Total Supply**: 1,140,000,000

Total Supply 1.150.000.000

DEX/CEX & Liquidity: 18.0 %

Investor : 10.0 %

Team & Adviser: 7.0 %

NFT Holder : 5.0 %

Community: 60.0 %

9. Roadmap & Future Developments

9.1 Immediate Goals

- **Build a strong community** through events and engagement.
- **Launch the Cosmo Kitty NFT collection**.
- **Deploy smart contracts** for security and transparency.

9.2 Mid-Term Goals

- **Whitelist & Guaranteed Mint Spots** for early supporters.
- **Launch a play-to-earn mini-game** for community engagement.
- **Secure listings on DEX and CEX** to provide liquidity.

9.3 Long-Term Vision

- **Full Launch of Cosmic Realm** with advanced social and business mechanics.

- **Cryptocurrency integration** across all ecosystem projects.
- **Expansion into the metaverse** with new virtual worlds and economic opportunities.

ROADMAP OF COSMIC TIMELINE

1 Growth
Build and nurture a thriving community.
Foster collaborations with other projects.
Create high-quality NFT artwork.

2 Launch
Launch the NFT collection.
Announce the mint date and price.
Deploy the smart contract.
Distribute WL and GTD spots to the community.

4 Mini Game
Launch a mini-game.
Develop and refine tokenomics.
Establish partnerships with venture capital firms.

5 DEX / CRX
List on DEX and CEX.
Distribute tokens.
Execute Token Generation Event (TGE).
Launch the game.

10. Conclusion

Cosmic Timeline is **more than a project—it's a movement**. By merging gaming, cryptocurrency, and decentralized governance, we are creating a **community-driven digital universe** where players have full control over their experience.

With **Cosmic Farmer, Cosmic Realm, Cosmo Kitty NFTs, and CosmoSprout Token**, we are setting the stage for a **sustainable, rewarding, and constantly evolving ecosystem**.

Join us as we **build the future of gaming and blockchain together**!
